- Since I began to work I have sought to form part of a team that promotes the highest quality of work from the creative mind; for this reason I would like to get to know you to present my projects to you.

I have more than 10 years of experience in different agencies and studios, having studied design, photo mechanics-photo composition, and working in both online (Activiti) and offline sectors (CP Proximity, with a specialization in Direct Marketing), communication agencies and also in freelance services.

- I also have a solid educational background, with a Bachelor degree in communications at center of studies "Tracor Arts School" and a Masters in Design and Web Project Development (MDI) in CICE, Professional School of New Technologies, with the goal of moving all the experience to the Online environment.

To continue, I would like to present to you my work experience and a summary of the projects I have carried out until now.

■ Bachelors degree in Visual Arts and Communication at the center of studies “Tracor Arts School”.

■ - Advanced course in the electronic treatment of images.
